

About the GCU Antelope Club

Grand Canyon University has a long and rich tradition of athletic success and that is why the GCU Athletic Department is introducing the new GCU Antelope Club. The Antelope Club will be a part of the already existing GCU Alumni Association which provides scholarship opportunities for students wishing to attend Grand Canyon University. The mission of the Antelope Club is to generate revenue specifically for athletic scholarships. Your contribution will provide critical support that we need if we are to reach our goal. That goal is to not only compete for and win national championships, but to provide the best educational opportunities for our student-athletes. With your generous support, we can reach our goals!

Our desire is to adhere to our athletics mission statement, which states, "We expect our student-athletes to pursue excellence on the courts and playing fields, in the

classroom, and in our community. Students who choose to participate in our athletic programs are challenged to lead lives committed to health, discipline, perseverance, and stewardship. We expect our student-athletes, coaches and staff to emulate Christ in all aspects of their lives including their academic and athletic endeavors."

Why Join the Antelope Club?

Being a part of the Antelope Club will allow you to be a part of the athletic community and bond with other loyal supporters of Grand Canyon University Athletics. You will enjoy all the benefits of membership and at the same time, experience the success of athletics at GCU. You will also help provide a quality educational experience for a student-athlete.

All revenue that is generated through the Antelope Club will go toward funding scholarships for our student-athletes.
